RE: Transfer of Burgin Mine Permit Number ACT/049/009

Dear Mr. Hedberg;

Enclosed are two copies of the Request to Transfer the Burgin Mine Large Mining Operation Permit from Sunshine Mining Company to Tintic Utah Metals LLC. It is understood that a Reclamation Contract will need to be completed following DOGM's review of the application and agreement as to an appropriate level of bonding.

Please feel free to contact either Tom Gast of EMS or myself with any of your questions. We look forward to working with your Department during the review of the transfer document.

Sincerely,

Keith Droste
Executive Director
